Purpose of the app

Purpose of the app is to enable users who sign up and log in to the app to create a new collaborative story or continue an already created story.

The created story can be given a title and a cover photo can be added. When adding new sentences to already created stories, the name of the new chapter of the story can be entered.

There are 4 front-end screen sections.

SIGN UP SCREEN

In this basic sign up screen, there are username, password, and confirm password sections.

Users who already have an account can go to the log in page by clicking the [Login here](#) button.

The Dragonfire

Chapter 1: The Legend Awakens

In the ancient land of Eldoria, a realm of magic and mystery, a legendary tale was about to unfold. It had been centuries since the last dragon was seen soaring through the skies, their majestic presence lost to the pages of history. But as fate would have it, the time for their return had come.

Chapter 2: The Dragon Prophecy

Deep within the enchanted forest, an ancient prophecy whispered through the leaves. It spoke of a chosen one, a brave and noble hero, who would be destined to awaken the slumbering dragons and restore balance to the world. Young Aiden, an orphan with an unyielding spirit, had no idea that he was about to embark on a remarkable journey.

Chapter 3: A Meeting with Myth

Guided by an enigmatic wizard named Eldric, Aiden ventured to the edge of the forbidden lands. There, amidst towering mountains and treacherous valleys, they discovered the Dragon's Gate—a portal to a realm long forgotten. As they stepped through, the air crackled with magic, and the presence of dragons permeated the very essence of the land.
